Resolution of Warranty Issues:

- **Repair or Replace:** We will determine, at our discretion, whether the product will be repaired or replaced.
- **Product Discontinuation:** If a product replacement is needed for a discontinued product, we will substitute a product that matches as closely as possible. In the event that a discontinued product is not available, the product will be repaired or replaced. Every effort will be made to provide a replacement product.
- **After Warranty Expiration:**
 - After warranty expires, many products can still be repaired for a nominal charge.
 - In many cases, a repair kit with the necessary components and instructions is available to the customer. A nominal charge may apply.

Your Rights Under State Law:

This warranty gives you specific legal rights. You may also have other rights which may vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion or limitation may not apply to you. This warranty is exclusive and in lieu of all other obligations, liabilities or warranties.
