Dynasty / Galaxy New Product

Cordless Top Down Bottom Up shade

The Cordless Top Down Bottom Up Shades combine cordless operation and lift up/down options in one great value shade.

- Easy to operate, 2 handles control the shade from top down or bottom up.
- Max. size required is under 6.6 pounds (3kgs) or less than 25 SQF (for example: 35" x 72"), depending on the pattern. **Min Width is 18"**.

Due to weight loading limitations, all bamboo patterns are not available to be provided. You can refer to the attached spreadsheet with size limitations for each pattern.
